

NEXT PRACTICES: Expanding Diversity, Equity, Inclusion & Accessibility at Academic Libraries

November 10, 2021 | 10:00am – 12:00pm

Free to attend · Register by 11.8.21

with

Ashley Lierman of Rowan University

&

Ron McColl of West Chester University of PA

In this virtual workshop our presenters will offer methodologies and practices used at their libraries for staff engagement and the critical review of library collections and practices with the commitment to expand diversity, equity, inclusion & accessibility and take reparative action. Participants will explore these topics with the opportunity to ask questions and share ideas with colleagues. A toolkit with resources and handouts will be made available to all registrants.
